Primary School**

**'Introduction to School'
sessions include the following:**

- ☺ **Open Morning**
- ☺ **Art Antics**
- ☺ **Try out Technology**
- ☺ **Movers and Groovers**
- ☺ **Italian Adventure**
- ☺ **5 extra general sessions giving the opportunity to experience time in a primary school setting.**

Pre-Prep Program

This program offers an hour activity session each week, taken by the school Principal and on some occasions, our foundation teachers.

It will be a great preparation for starting school next year and is a chance to meet other pre-schoolers and their families.

The children will be given the opportunity to get to know their way around the school, and get to know the faces of the teachers and some of the students; maybe even their buddies for their foundation year!

The children will participate in fun, age - related activities which will help them become more comfortable with the school environment and prepare for school, making the transition from pre-school to school a positive and happy experience.

In term 4 our Foundation 2018 Transition Program will commence for those children enrolled, this will include four classroom activity sessions and a Parent Information Evening.

Personal school tours with the Principal are also available upon request.
